

Brain Teasers for Strategists

Precision, logic, and structured thinking are at the heart of this Alphametic puzzle.

Replace the letters with the appropriate numbers and solve the underlying math problem.

$$\begin{array}{r}
 \text{MISSION} \\
 + \quad \text{FOCUS} \\
 + \quad \text{VISION} \\
 \hline
 \text{SUCCESS}
 \end{array}$$

			E						

Solution to the puzzle

The following solution shows the correct mapping of letters to numbers that solves the arithmetic problem. Each mapping is unique and satisfies all the conditions of alphanumeric arithmetic.

$$\begin{array}{r} 8699620 \\ + \quad 42159 \\ + \quad 769620 \\ \hline 9511399 \end{array}$$
